4 Kodikalli

state that the marginally named 4 tanks included in the Rekalgere Project were made over to the Revenue department by the E.P.W. in April last. Water rate is being temporarily charged on dry lands newly converted into wet, pending the classification of these lands and the imposition of permanent wet assessment thereon. In docket No 538 dated 4/4/94, the Executive Engineer, Chitaldroog Division was requested to forward a Survey plan of the irrigable area under each tank so as to enable the Revenue authorities to prepare a statement of lands on which permanent wet assessment has to be imposed. A reminder was sent to him on 2nd July 1894.

2. The undersigned therefore

therefore begs to state that on receipt of the statement called for from the Executive Engineer a report will be submitted on the general points raised in the Chief Secretary's docket No 5591 dated 20th September last

al area of acreage Condition the 31st
the end of February 1874.

Remarks —

This work was sanctioned in 1873, and completed
in the beginning of 1874. The total irrigable —
area has not yet been ascertained. The Executive
Engineer has been written to, on the subject. A —
survey plan of all the lands under the influence of
this project is undertaken & is under preparation
at the meantime 2 acres and 2 Cunduru in 1873-74, 25
35 acres and 2 Cunduru in 1873-74 and 3 acres
and 3 Cunduru in 1874. 75 were brought under —
wet cultivation by payment of a temporary water —
cess fixed at the highest wet rates prevailing in
that locality. In connection with the Irrigation
Superintendent the extent last mentioned will be
assessed at wet rates and carry rights liable to —
regular the payment of Contribution due on Assam
Acres. But the total demand cannot be ascertained
until the preparation of the Survey plan above —
mentioned.

The rates shown in this Statement were
fixed in 1873 on the then existing
Commissioners, by Mr. Ramaswamy
Sarma in Calculation based upon
Mamul. Modifications have been made in
this year.

Except the Cunduru 2 acres 25 cents
under cultivation, which was sold in 1874, under the orders of the
Revenue Commissioner and on recommendation which Contribution
7-8- a per acre was promised.
